

March 2010

Dear Parent,

As part of **West Sutton Little League's** development plans, we are working towards providing additional training and tournament opportunities for all of the 700+ children registered with **West Sutton Little League**.

Our research has shown that there is a shortfall of suitable and affordable training facilities within the Sutton Borough. To address this situation we have started to work closely with **Sutton Tennis Academy**, based in Rose Hill.

The tennis academy's plan is to provide all weather training facilities via 6 x 5-a-Side pitches and a "junior" full size pitch. These pitches can be used by juniors and adults alike to provide mid-week training for juniors (between 4 – 8 p.m.) and adult training and 5-a-Side tournaments (between 8 -10 p.m.) , as well as use on weekends. It is planned for **West Sutton Little League** to have a high level of exclusive access to these new facilities and the sooner we can confirm how we would intend to use the Centre, the quicker we can reserve the facilities.

To help us determine what level of additional activity we should be providing, your help would be very much appreciated by returning a completed survey, based on your potential usage of the Centre.
